

Monday, 18th October 3 Parallel sessions

Session 1

Intercultural training,

organised by Poznan University of Technology. Presentations and practical exercises concerning everyday work in international teams and dealing with bias.

Session 2

Contamination Lab Pills - Entrepreneurship education,

organised by Université de Mons and Università di Catania. The first part of this session will consist of a presentation of the Contamination Lab concept, related to entrepreneurial education. Afterwards, students will take part in a series of practical exercises related to soft organisational and design skills that are highly demanded in the global labour market.

Session 3

Start Cup - Exchanges on entrepreneurship views, organised by Universidad de Cantabria, Université de Mons and Università di Catania.

The students will have the chance to listen to start-up founders whose projects are present in the international marketplace.

Monday, 18th October

Session 1 Intercultural training

Session 2 Contamination Lab Pills - Entrepreneurship education

Session 3 Start Cup - Exchanges on entrepreneurship views

8:45-9:45

S1 - Discovering national cultures through cultural dimensions - Anna Górska (PUT)

***S2 - Introduction to Contamination Lab UNICT** - Dianela Giordano (UNICT)
The Contamination Lab concept - Vincenzo Di Maria (UNICT)
Introduction to the 5 challenges - Claudia Busetto (UNICT)

S3 - Challenge your idea - David Lhoir (UMONS)

9:45-10:45

***S1 - Bias in Intercultural Communication** - Ewa Hołubowicz (PUT)

S2 - Group sessions: Cross-disciplinary approach to innovation - Vincenzo Di Maria, UNICT and UMONS Tutors

S3- How to turn an idea into a concrete project - Rosario Faraci (UNICT)

10:45-11:00 Coffee Break

11:00-13:00

S1 - Group sessions: Discover your national culture - Anna Górska (PUT)

Group sessions: Dealing with bias in practice- Ewa Hołubowicz (PUT)

S2 - Group sessions: Converging towards a shared proposal - Vincenzo Di Maria, UNICT and UMONS Tutors

Group sessions: Harvesting results - Vincenzo Di Maria, UNICT and UMONS Tutors

***S3 - Developing your network** - Luis Miguel Lozano, Sergio Pesquera, Saverio Latteri (UC, UNICT)
Innovation: IP and industrial property - Maryse Demuynck (UMONS)

Tuesday, 19th October

4 Parallel sessions

Companies' elevator pitch

Participants will be able to attend the session related to the sector they are interested in:

Session 1

Energy and Sustainability

Session 2

Transport & Environmental Recovery

Session 3

Health and Pharma

Session 4

Microelectronics, Sensoristics, AI & Big Data

Thesis and internship opportunities in companies located in the seven countries where EUNICE has a presence will be presented. This will also be a good opportunity to learn about EUNICE International Internship Portal (EIIP) and interactive tool to help students and academics to explore mobility opportunities both in public and private organisations for industrial doctorate or work experience.

*Tuesday, 19th October - Companies elevator pitch

Session 1 Energy & Sustainability

Session 2 Transport & Environmental recovery

Session 3 Health & Pharma

Session 4 Microelectronics, Sensoristics, AI, Big Data

8:45-9:15

S1-4 - Introduction

Patrick Hoffmann (BTU)
Adrianna Matuszczak (PUT)
Andrea Pérez (UC)
David Lhoir (UMONS)

9:15-9:45

S1 - ICS Industrial Combustion Systems - Dariusz Szewczyk (PUT)
LOGE Deutschland GmbH - Vivien Günther (BTU)
S2 - Solvay Group - Jorge Miguel Oliveira (UC)
S3 - SIFI - Maria Cristina Curatolo, Maurizio Capece (UNICT)
FIDIA Pharmaceuticals - Rosanna Inturri, Pietro Amico (UNICT)
S4 - Neo-GLS - André Perpey (UPHF)

9:45-10:15

S1 - Sonocrete GmbH - Ariane Remus (BTU)
S2 - Sener Engineering Group - Begoña Grijalvo, Jordi Garriga (UC)
S3 - BIONAP - Andrea Bonina (UNICT)
Mimesis - Santo Motta (UNICT)
S4 - CYCLOPE/VINCI - Nadiya Shvai (UPHF)
ST Microelectronics - Ampelio Ventura (UNICT)

10:15-10:45

S1 - BESTTIC - Ulrich Biaou (UPHF)
S2 - La Maison de l'entreprise/IDEA - Patrice Thiry (UMONS)
Ecosteryl - Frédéric de Meulemeester (UMONS)
S3 - Centre Hospitalier de Valenciennes - Simon Raout (UPHF)
S4 - ICTLab - Sebastiano Battiato (UNICT)
Free Mind Foundry Group - Simone Massaro (UNICT)

10:45-11:00 Coffee Break

11:00-11:30

S1 - Gamesa Electric - Jaime Peredo (UC)
S2 - Alstom - Samantha Esteban (UMONS)
Transalley - Nicolas Balland (UPHF)
S3 - ALVO - Dominik Czerwiński (PUT)
LINAMEDICAL - Beata Radomska (PUT)
S4 - A4x - Francesco Cosentino (UNICT)
b-sens - Corentin Guyot (UMONS)

11:30 - 12:00

S1 - Enel Green Power - Claudio Colletti (UNICT)
S2 - Toyota TMMF - Florine Delattre (UPHF)
VW - Krystian Waszkiewicz (PUT)
S3 - Inhibitec Anticuerpos - Ramón Merino (UC)
S4 - Acapela Group - Olivier Deroo (UMONS)
Multitel - Jean-Yves Parfait (UMONS)

12:00-12:30

S1 - ENGIE Electrabel & Laborelec - François Boisseleau, Jean-Pierre Keustermans (UMONS)
Materia Nova - Martine Bouvet (UMONS)
S2 - Solaris - Karolina Bugiel (PUT)
Parksmart - Pierluigi Buttiglieri (UNICT)
S3 - Baxter - Abdellah El Kacem (UMONS)
S4 - BSH Home Appliances Group - Emilio Placer (UC)

12:30-13:00

S1 - EnergyVaasa - Kristoffer Jansson (UVA)
S2 - AMTS - Salvatore Capri (UNICT)
Legambiente - Martina Magnano (UNICT)
S3 - end of session
S4 - ANT data - Emil Karpiński (PUT)

***Thursday, 21st October**

European Job Market & Internships

This session is aimed at better preparing students to understand and enter the European job market:

- Introduction to the job market in the European Union and the European Mobility Portals
- Job interview training and specific characteristics of job interviews in the seven countries of the alliance.

INTRODUCTION

8:45-9:15

Introduction on the Session

Atika Rivenq (Deputy Rector for entrepreneurial relations and valorization)

9:15-10:15

The role of social media platform in the job market: searching for a position and designing a proposal

Davide Bennato (Department of Humanities)

10:15-10:45

Description of the eco-system around the university and explain how their interaction enhance the employability of the students: a focus on Jobs needed in Transport area with the transition

Atika Rivenq (Deputy Rector for entrepreneurial relations and valorization)

10:45-11:00

Coffee Break

11:00-12:00

Eco-system of the UPHF

Stephane Meuric (Technopole Transalley)

12:00-12:30

Eco-system of the UMONS

Emerance Delacenserie (Professional Insertion and Alumni Service)

12:30-13:00

How Marie Skłodowska-Curie Actions can contribute to employability of PhD students and scientists in Europe

Patrick Hoffmann (Coordinator for EU Research funding)

***Streaming on EUNICE YouTube channel:**

<https://eunice-university.eu/en/streamings/>

Friday, 22nd October

The EUNICE International Internship portal

EUNICE member universities will be offering counselling to students, and information about EUNICE International Internship Portal (EIIP) will be shared.

Career Counselling / Tips for the Internship Abroad / Q & A

***8:45-10:45**

Thomas Elfert (Career Center)
Welcome/Introduction

Federica Firrincieli (Job Orientation Office)
How to find an internship abroad 1 / The EUNICE-Platform

Emerance Delacenserie (Professional Insertion and Alumni Service)
Tips for writing a CV

Thomas Elfert (Career Center)
Tips for writing a cover letter

Virginie Maillot (Career Center)
How to prepare for a job interview

10:45-11:00

Coffee Break

11:00-13:00

Aurélié Degaugue (International Relations Office)
Introduction to Erasmus+

Pablo Díaz Jubete (International Relations Office)
How to find an accommodation abroad
