In case you have missed it...

EUNICE Weeks 2023: cultural, sporting and intellectual events for everyone

Shape your multicultural intelligence to build up your European future - a motto to which EUNICE European University has committed itself for the third edition. From 23rd October to 30th November, eight diverse events took place in EUNICE universities and are still available on replay, on EUNICE YouTube channel.

[WATCH THE REPLAY OF EVENTS](#)

Alliance Games in the spotlight

Mixed volleyball tournament

Eighty students, seven teams, twenty-one matches, and incomparable memories: that is what the EUNICE mixed volleyball tournament at Poznan University of Technology (Poland) was all about.

E-Chess tournament

A total of 276 games were played by 67 players from EUNICE universities during the annual international e-chess tournament that was broadcast online on EUNICE YouTube channel.

Welcoming international students and celebrating Erasmus Days

EUNICE universities welcome many international students every year and organise events to familiarise them with the cities and campuses: Welcome Days, International Mobility Fairs...

From 9th to 14th October, EUNICE universities celebrated the Erasmus+ programme during the Erasmus Days, with colourful events and activities to promote international mobility.

The University of Mons (Belgium) celebrates its *Italian Year*

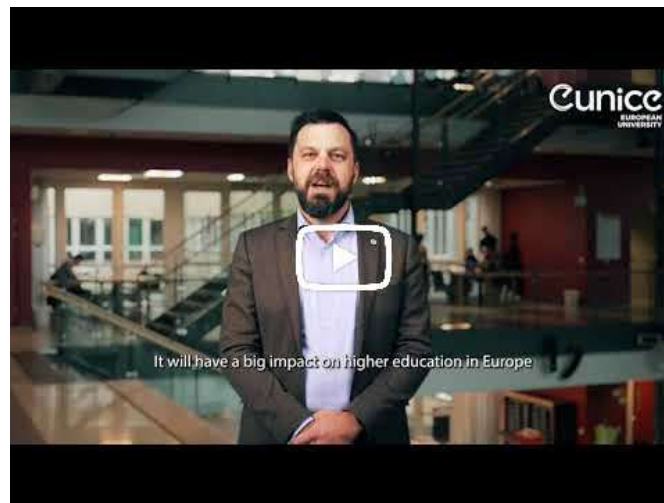

Until June 2024, this programme will invite everyone to engage with the multifaceted realms of Italian culture and heritage, through exhibitions, film debates, lectures, concerts, congresses, culinary experiences... As one of the prominent Italian partners, the University of Catania will be offering two guided tours.
