## 2. CONTACT DETAILS.

• <b>Department.</b>	Food Science and Technology
• <b>Name of Lecturer.</b>	Areti Vogopoulou
• <b>E-mail.</b>	a.vogopoulou@go.uop.gr
• <b>Other Lecturers.</b>	-----

## 3. COURSE CONTENT.

This course is designed for absolute beginners. It covers the essential skills needed to start speaking, understanding, and using the Greek language in everyday situations. The focus is on practical communication, common phrases, and cultural context, helping students build confidence in speaking, listening, reading, and writing. Simple words, structures, and expressions are introduced, all aimed at improving everyday communication and making Greek easier to learn.

## 4. LEARNING OUTCOMES.

Upon completing this language course, students are generally expected to:

- Recognize and understand the Greek alphabet.
- Use common, everyday expressions with ease.
- Discuss basic topics about themselves, their surroundings, and everyday needs.
- Comprehend and produce simple written texts.

- Communicate effectively with others when they speak slowly and clearly.
- Gain a basic understanding of Greek culture, including traditions, holidays, and everyday life.

## 5. OBJECTIVES.

Developing language skills, practical communication, and cultural understanding, ensuring students gain a well-rounded foundation in Greek.
