English for conducting classes in the international work environment (B2)

ONLINE COURSE

NUMBER OF PARTICIPANTS:

- maximum 20 participants

DURATION:

- 20 hours

OBJECTIVE:

Upon completing this course the academic staff members will be able to: gain awareness of the power of language, e.g. the language of instruction, to enhance effective communication; use appropriate vocabulary in the academic environment; gain awareness of the language of presentations; communicate effectively in the international work environment; gain awareness of cultural differences, which contributes to successful communication.

SUMMARY:

During the course, several topics will be discussed which refer to the English language for conducting classes in the international work environment.
