3. COURSE CONTENT.

During this course, students will expand their basic knowledge of Spanish and develop their ability to communicate in everyday situations with greater confidence and accuracy.

1-Communication and Language Skills

Students will learn to:

- Describe their home and surroundings, including rooms, furniture, and location of objects
- Talk about their family and personal relationships
- Express likes, dislikes, and hobbies
- Ask for and give meanings, and interact in a classroom setting
- Talk about dates, plans, and social events

- Ask for and give directions in a city
- Describe daily routines and everyday activities
- Talk about future plans using basic structures
- Describe the weather and seasons

2-Grammar and Structures

Students will work with:

- Use of *hay* and *estar* to express existence and location
- Demonstratives and possessives
- The verb *tener*
- Expressions of quantity
- Verbs like *gustar* (likes and preferences) and negation
- Stem-changing verbs (e.g. *e* → *ie*, *o* → *ue*)
- Imperative forms for giving directions
- Basic prepositions and expressions of place
- Use of *ir a + infinitive* (near future)
- Reflexive verbs for daily routines
- Use of *hace*, *muy* and *mucho*

3-Vocabulary development

Students will acquire vocabulary related to:

- The house and furniture
- Family members
- Leisure activities and sports
- Classroom language
- Dates, months, and celebrations
- The city (places, streets, landmarks)
- Means of transport
- Daily activities and parts of the body
- Weather and seasons

4-Cultural Awareness

Students will continue developing their understanding of Spanish culture and everyday life, including:

- Social habits related to leisure and celebrations
- Daily routines in Spain
- Basic orientation in a Spanish city

4. LEARNING OUTCOMES.

The student will learn how Spanish works as a language, how to understand simple texts and find information in them. The student will also get practice in listening comprehension and learn how to correctly pronounce Spanish. Moreover, they will learn about the very basics about Spanish society and culture.

5. OBJECTIVES.

Practice of receptive skills and strategies needed to manage everyday situations in Spanish and motivation of students to deepen their skills in Spanish. To convey an understanding of culturally significant factors.
