The Next Festival features around forty performances over three weeks, taking place across the cross-border region within the cities of the Lille Eurometropolis, Kortrijk, Tournai and Valenciennes.

Students will have the opportunity to attend carefully selected artistic performances offered by inspiring international artists. Participants will also take part in a range of activities and cultural visits on the territory.

This is a great opportunity to be immersed in the heart of an international festival, exchange your knowledge, and gain a better understanding of the artistic creation process.
